## How to Ride

**Just follow these four easy steps  
on the next two pages:**

**Step 1. Find your route on  
the System Map.**

**Step 2. Read the schedule.**

**Step 3. Choose the right fare.**

**Step 4. Catch your bus!**

## Step 1. Find your route on the System Map

The Metro System Map shows all the Metro routes. Be sure to look at both the Weekday and Supplemental School Day Service maps for weekday travel, and the Weekend & Holiday Map for travel on those days. Use the System Map to locate the route closest to your origin and destination point. You may find that you'll need to ride more than one route to reach your destination; in that case, please read the "Transfer Connections" section on page 7.

If more than one route is needed to complete the trip, find the transfer point where both routes meet for your connecting information.

Now that you've determined which route(s) you're going to ride, you'll need to refer to the appropriate schedule(s).

## Step 2. Read the Schedule

### How to Read a Schedule.

**Destination and Directional Symbols:** Schedules and maps contain symbols for points of interest, popular destinations, accessibility, and transfer points (see page 3 of this booklet for an explanation of these symbols). Symbols appear on the map and above the appropriate time point on the schedule—indicating the direction the bus is traveling and the popular destinations and points of interest along the route.

**Return Trip:** Check the system map and schedule for your return trip. It may not be the same route, depending on the time of day you will be traveling.

**Route Number**

Streets that the bus travels on are indicated in dark text; cross streets are indicated in white text.

**Time Point:** Find the time point number on the map that precedes your departure location—then look up that time point number on the schedule. All time point numbers correspond to a time point on the schedule below.

From Route	West Transfer Point	Hill Farms State Transp. Bldg.	University Hospital	Johnson St. and Park St.	Johnson St. and Ingersoll St.	Johnson St. and Sherman Ave.	North Transfer Point	Becomes Route

**Weekday AM's – North Transfer Point to West Transfer Point**

**Weekday PM's – West Transfer Point to North Transfer Point**

Select the schedule(s) that best meets your travel needs by determining:

**Day of week** - weekday, weekend or holiday

**Direction** - eastbound, westbound, northbound or southbound. Destination gives an indication of direction.

**Time of day** - AM or PM (PM is in bold type)

**Arrival/Departure Time:** Read the times from left to right. Your arrival time will be to the right of your departure time.

**Comes From Route & Bus Becomes:** Schedules also contain columns that indicate what route the bus comes from at the first time point, and/or what route the bus becomes once it reaches the last time point.

**Vias:** Some buses operate via different streets to/from their destination. In this case trips on Route 28 operate either via Johnson & Fordem or via Sherman to the North Transfer Point. Be sure to follow the timepoints along the schedule and the map to determine if you will be affected by a route via.

**Time Points:** Departure times are listed below the time points. (Remember that the listed departure time is only for that specific time point. If you plan to board at a stop between two time points, you'll need to adjust the time accordingly.)

## Step 3. Choose the right fare

Choose the appropriate fare listed below. To save money, select one of Metro's discounted prepaid fares.

### Paying Your Fare

When the bus arrives, have exact cash fare ready. Drivers do not make change.

- Deposit dollar bills or remaining supplies of Quik Tix and Convenience Tickets into the fare box.
- Insert the 31-Day Pass into the card reader the first time you board to activate. Slide it through the pass reader each time you board after your first use.
- Slide student, employee or other Metro passes through the pass reader.
- Insert 10-Ride Cards into the card reader.
- Buy One-Day Passes right on the bus! Tell the driver you wish to purchase a One-Day Pass before you deposit cash

into the fare box (deposit bills one at a time). A One-Day Pass will be dispensed. Slide the One-Day Pass through the pass reader each time you board.

### Metro-by-Mail

10-Ride Cards and Passes may be conveniently ordered and renewed by mail: To request a form, call our Customer Service Center at 266-4466 (TTY 267-1143).

Free transfers, valid for two hours, will be issued at the time of boarding when paying with cash or 10-Ride Cards. Transfer is dispensed directly from the fare box unit. Both activation date/time and expiration date/time will be printed on the transfer. Slide through the pass reader each time you board.

## Step 4. Catch Your Bus!

### Waiting for the Bus

Arrive at the bus stop at least five minutes before your bus is scheduled to arrive. Check for your route number on the sign. Metro has three types of bus stops. Refer to the “Where to Wait!” bus stop diagram to find out where you should wait at the stop. Make sure your stop is the appropriate one for the direction the bus is traveling, especially on the Capitol Square. Wave to the driver when you see your bus approaching.

#### Where to Wait!

**Wait at Sign!** Bus stop is past the intersection—wait at sign.

**Wait at Corner!** Bus stop is before the intersection—wait at corner. (The back of these signs direct you to board the bus at corner.)

**Wait at Sign!** Bus stop is in the middle of the block—wait at sign.

### Destination Signs

To ensure you’re boarding the correct bus, check the destination sign above the windshield. The destination sign will indicate the route number and destination of a bus. If a route is traveling by way of a certain street, the “via” will flash after the route name. (For example, “North Transfer Point via Fordem.”) Vias are indicated on route schedules by a dashed or dotted line.

### Passenger Conduct - While You're Riding

To promote the safety and comfort of our riders, the following rules have been established:

1. Save the front seats for senior citizens and people with disabilities.
2. Refrain from smoking, eating, drinking and littering.
3. Turn off your portable radio, tape, CD player and television, or use earphones so that the sound is limited to your personal listening.
4. Do not stand in front of the standee line at the front of the bus near the drivers seat.
5. No animals are allowed aboard Metro buses, except service animals or caged pets that fit on your lap.
6. Do not bring any weapons including pistols, rifles, knives or swords on the bus.
7. Fencing foils must be sheathed in a case and left at the front of the bus with the driver.
8. If the bus is full, please keep large items on your lap.
9. Collapse your stroller before you board the bus and find a seat.
10. Do not carry onboard large articles, packages, baggage, non-collapsible strollers and baby buggies which block the aisle and restrict the free movement of passengers.
11. Refrain from use of improper vulgar language, boisterous behavior or fighting.
12. Do not bring items of a dangerous nature on board the bus including: flammable liquids; dangerous, toxic or poisonous substances; storage batteries; vessels containing caustic materials, chemicals, acids or alkalis; fishing rods which are not broken down or have uncured or exposed hooks or lures; ski poles unless secured to skis or have tip covers; sheet glass and sharp objects.
13. Do not have distracting conversations with Metro drivers.
14. Repeated or serious incidents of inappropriate conduct by a passenger may lead to the exclusion from transit service.

For a complete copy of the Rules of Conduct and Transit Exclusion Policy, see our website: [www.mymetrobus.com](http://www.mymetrobus.com)

### Exiting the Bus

When exiting the bus, be alert to your destination. Use the touch strip or pull cord to signal your driver one block in advance. The driver can assist you if you are unfamiliar with the area. Remain seated until the bus comes to a complete stop. *Please exit through the rear door.* Push the door open when the light above the rear door is lit.

**Route Number and Destination Signs.** To ensure you're boarding the correct bus, check the route number and destination sign above the windshield. The destination sign will indicate the route number and destination of a bus. The destination can be a transfer point, a neighborhood, or a popular destination point for riders.

**Via:** If a route has more than one way to reach its destination, the "via" will flash intermittently with the destination name on the destination sign.

**Bus Stop ID Number:** Each bus stop has an identification number found on the front of the bus stop sign. This number helps the rider to precisely locate his/her location when planning trips, and should not be confused with route numbers. On older bus stops signs the ID # is located on the back of the sign.

**Accessibility:** A bus that is accessible to people with disabilities will have this symbol posted on the side and the back of the bus.

### Exiting the Bus

To exit the bus, use the touch strip or pull cord to signal the driver one block in advance.

Remain seated until the bus has come to a full stop.

Exit through the rear door if possible. Push the door open when the light above the rear door is lit.

### Direct Connect

**As you Board.** When the bus arrives, wait till all passengers have left the bus, then board and have exact cash fare ready. Our drivers do not make change. If you need a transfer, ask for it as soon as you've paid your fare.

**Bus Stop Signs:** All route numbers that use a particular bus stop will be listed on the front of the bus stop sign.

### Transfer Connections

Plan your transfer at a transfer point since they have timed connections, high service frequencies, shelter from the elements, and passenger information.

Routes are timed for direct connections at transfer points at 30-minute intervals. While connections are scheduled every 30 minutes, there are times, particularly during the off-peak, when some connections may not be available.

Buses leaving the transfer points for destinations toward the **Capitol Square**, **UW Campus**, etc., will depart from the "Inbound" side of the platform. All other buses will depart from the "Outbound" side of the platform.

During peak times some routes are not scheduled for direct bus-to-bus transfer. Also, some peak hour routes may not pull into transfer points but stop nearby for customers wishing to transfer.

# Metro Services

## Weekday Service

Metro customers have many choices of routes and destinations around the city via transfer point connections. During the day, routes and service levels change due to different travel demands.

### Off-Peak Service

Metro's off-peak service operates during the midday and/or evenings. Some routes operate only during off-peak times.

### Supplemental School Day Service

Many area middle and high school students use Metro to get to and from school. To avoid over crowding of buses, Metro provides additional service. Routes providing Supplemental Service are numbered in the 90's.

### Holiday & Modified Service

All Lost & Found items are kept in the Metro Main Office for two weeks. After that time, unclaimed items are donated to St. Vincent DePaul.

## Rack-N-Roll

Bring your bike on your next commute. See instructions on loading and unloading your bike below. All routes listed in this *Ride Guide* are equipped with bike racks.

- As the bus approaches have your bike ready to load; remove all pumps, water bottles and loose items that could fall off.
- Always approach the bus from the curb side.
- Tell the bus driver that you are loading a bike.

### Loading Your Bike

1. Squeeze handle and pull down to release folded bike rack.

2. Lift bike onto the rack, putting the front and rear wheels in the marked slots. Please load the rack nearest the bus first. *The front wheel of the bike closest to the bus should face curbside. The front wheel of the second bicycle must face the bus driver's side.* You can load/unload rack nearest the bus without unloading the bike in front.

3. Raise the support arm, as far up on the wheel as you can, making sure it is resting on your front tire, not on the fender or frame.

### Unloading Your Bike

- Tell the driver you need to unload your bike.
- Move the support arm down and lift out your bike.
- Please fold up the rack if it is empty.

### Rules of the Rack

- For safety reasons, the driver cannot get off the bus to assist you. Please use the instructions printed in this guide and on the rack.
- Bike racks are first come, first served. Each bus can carry two bikes. *The front wheel of the bike closest to the bus should face curbside. The front wheel of the second bicycle must face the bus driver's side.*
- There is no additional fare for using the bike rack.
- Children 10 and younger must be accompanied by an adult to load and unload bikes.

Rider Alerts are changes to service that are regularly posted on a panel behind the driver.

Rider Reader is a newsletter with updates and articles of interest to Metro riders that are made available on board Metro buses.

A composite image showing a copy of the "Rider Reader" newsletter and a "RIDER ALERT" panel from a Metro bus. The newsletter features sections like "NEW UW Campus Schedule and Route Modifications" and "Summer Collegiate Pass". The "RIDER ALERT" panel displays a map of Madison, Wisconsin, with a red circle indicating a detour route starting at 6 PM on September 6, 2001, due to construction on University Avenue between Webster and Doty Streets.

WEEKDAY SATURDAY SUNDAY

# **Does Your Employer Offer Commuter Choice?**

## **What is it?**

It's a federal pretax transit benefit program. Commuter Choice allows employees to purchase Metro passes and Quik Tix as a TAX-FREE fringe benefit! And, employers save at the same time.

## **How does it benefit you?**

**Employees** SAVE by purchasing with PRE-TAX funds. For example:

**The “average” commuter will save...**

1. 27% in federal taxes
2. 5% in state taxes
3. 7.65% in FICA taxes
4. Total taxes: 39.65%
5. Based on a \$47.00 31-Day Pass, YOU WILL SAVE \$18.63 per month and YOU WILL SAVE \$223.62 per year!

## **How does it benefit your employer?**

**Employers** SAVE by paying less FICA! They may:

- Pay for the benefit...it's TAX DEDUCTIBLE;
- Offer employees a PRE-TAX deduction; or
- SHARE the cost and savings with employees.

Upon request, Metro will schedule Customer Service Center staff to assist employees in planning their personalized trip itineraries and explaining Metro's services.

Commuter Choice benefits everyone - the employer, the employee, and our community.
