BACKGROUND

A fare increase was included in the City's 2016 executive budget. This fare increase is intended to:

- Fund a leased bus storage facility for short-term space needs (Metro has applied for a federal grant to build a satellite maintenance facility, which will provide a long-term solution to space needs).
- Expand Metro's Route 17 to provide a quick connection between north and east transfer points on weekends.
- Expand Route 31 to provide additional midday and evening service to the Owl Creek neighborhood.
- Fund additional bus cleaners to improve Metro's overall riding experience.

GIVE FEEDBACK

Interested persons are encouraged to attend the public hearing to give feedback. Consideration will be given to views and comments expressed at the public hearing as well as to all written comments received.
